## FREESPIRIT

FREESPIRIT CYCLES from a Great British family company.

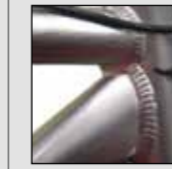

The Freespirit range of family and leisure cycles has developed a reputation for being a premier brand offering not only quality, good looks and safe, reliable products but, more so than ever before superb value for money.

Freespirit cycles are distributed nationwide through independent cycle shops by Moore Large and Co Ltd and H & J supplies. For the best possible view and free expert advice on choosing the right bicycle for you, we recommend a visit to your local Freespirit Dealer.

**Freespirit Guarantee.** All cycles in the brochure conform to the British Safety standard for bicycles. Riding safety starts by choosing the right bicycle for you. Below is a guide to help you choose.

Moore Large market a large range of accessories for your bike and general cycle needs. Everything from inner tubes and tyres to helmets and locks.

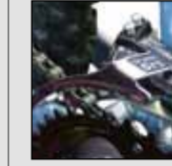

All accessories, like our bikes, offer superb value for money, coupled with quality and reliability. Check our wide range of products at [www.todayscyclist.co.uk](http://www.todayscyclist.co.uk)

Quality, stylish frame sets feature throughout the Freespirit range

**SHIMANO**  
Shimano Transmission Systems are standard specification throughout the Freespirit Range

**SHIMANO**  
Shimano Revo Shifters for positive gear selection

Powerful V-Type Brakes for safe and precise stopping power.

### SIZE GUIDE

| Wheel Size (inches) | Frame Size (inches) | Age Group (approx) | Inches Leg (inches) |                           |
|---------------------|---------------------|--------------------|---------------------|---------------------------|
| 20                  | 13                  | 7 - 10             | 21 - 26             | Mountain                  |
| 24                  | 15                  | 9 - 12             | 24 - 30             |                           |
| 26                  | 17                  | 12-Adult           | 26 - 31             |                           |
| 26                  | 17 <sup>1/2</sup>   | Adult              | 26 - 31             |                           |
| 26                  | 19                  | Adult              | 28 - 33             |                           |
| 26                  | 19 <sup>1/2</sup>   | Adult              | 28 - 33             |                           |
| 26                  | 21 <sup>1/2</sup>   | Adult              | 30 - 35             | Town and Trail and Sports |
| 26                  | 22 <sup>1/2</sup>   | Adult              | 31 - 36             |                           |
| 700cc               | 17 <sup>1/2</sup>   | Adult              | 26 - 28             |                           |
| 700cc               | 19 <sup>1/2</sup>   | Adult              | 28 - 30             |                           |
| 700cc               | 21                  | Adult              | 30 - 32             |                           |
| 700cc               | 23                  | Adult              | 32 - 35             |                           |

Above is an approximation only. Consult your dealer before purchasing a cycle.
